Sir,

In forwarding herewith the records received with the Shimoga Deputy Commissioner's letter No.Muz.1.C.182/30-31 dated 11th November 1930 (copy enclosed) regarding the resumption of lands endowed to the Durgiro Makkan at Basavapatna in the ----- Channagiri Taluk, I have the honor to state as follows:-

The Makkan is endowed with 78 acres and 33 guntas of land as noted in the margin. The lands are stated to yield an annual income of about Rs.400/-. It is reported that the Makkan building is in utter disrepair, that services are not being conducted properly and that the institution has ceased to function. The Vanivaidar is also reported to have made unauthorised alienations in respect of three S.Nos (34, 36 and 15) and to have allowed the other --- S.Nos. to deteriorate. The villagers suggest that the vahivat of the Inam lands may be left in the hands of the Mahomadan ----- gentlemen or that the management of the lands be taken up by ---- Government. The Muzrai Auditor reports that the repairs of the building will cost Rs.1000/-, that the villagers do not take any interest in the institution and that it is neither feasible nor necessary to revive the same. The Deputy Commissioner recommends that the institution may be declared defunct, the lands resumed --

Letter No.Muz.I.C.182/30-31 dated 11th November 1930 from the Deputy Commissioner in Mysore to the Muzrai Commissioner in Mysore.

I have the honor to submit herewith the records received from the Shimoga Sub Division Officer, with his memo No.D$_1$56/29-30 dated 4-7-30, regarding the Dargiro Makkan at Basavapatna in the Chanmagiri taluk and to state as follows:-

The Makkan is endowed with 78 acres and 33 guntas of land as detailed in the map of the Muzrai Auditor, who inspected the Makkan and enquired into its affairs, reports that the Makkan building is very much in disrepair, that no service is not conducted in the makkan and that the institution ceased to function long ago. The Vahivatdar, while bringing the Makkan building to a dilapidated condition, has also made unauthorised alienations and leases in respect of the Inam lands (S. No.34,36,15) The Auditor states that the Vahivatdar seems to have executed documents in support of some of these alienations, but none of them has been registered. The remaining S.Nos. are stated to have been in the possession of the vahivatdar, who is not keeping them in good condition, but allowing them to deteriorate. The villagers are reported to have proposed that the vahivat of the inam lands may be left in the hands of two Mahomadan gentlemen on behalf of the Mahomedan population of the village or that the management of the inam lands may be taken up by Government. The Auditor reports that there are 7 Mahamadan institutions in the village and that only one i.e., Bababudan Darga is functioning properly. He further states that there are no people who take interest and who can afford to reconstruct a building, whose cost is estimated at not less than Rs.1000/-. He therefore states that it is neither feasible nor necessary to revive the institution.

The Muzrai Amildar states that the institution may be declared defunct and the inam lands resumed for failure of ----

of service. The income from the inam lands is estimated to be about Rs.400/- a year; and the lands are proposed to be leased out in public auction, the sole proceeds being credited to the General Muzrai Funds. The Auditor and the Muzrai Amildar recommend that a grant of Rs.30/- a year may be given to Bababudan Durga for feeding Jamir once a year, out of the annual income from the lands of Sargiro makkan.

In these circumstances I beg to state that the institution will have to be declared as defunct, the lands resumed and the lease right thereof sold the proceeds being credited to General Muzrai funds and to recommend that the question of the grant to the Bababudan Durga may be favourably considered.
